Suitable for remote control type feeder

owon-Pet

Enjoy OWON-Pet, enjoy life.

Automatic Feeding

Whether you're at work, traveling, or partying, you can remotely control the feeder via your phone. Even when you're not at home, pets are taken good care of at every meal.

Accurate Feeding

You can set up a number of feeding schedules according to your pet's eating habits.

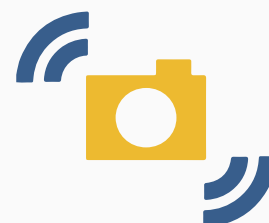

Alarm & Notification

Add a series of care schedules, and your phone will remind you in each schedule when care is due. In addition, your phone will be notified when the food is running out or stuck.

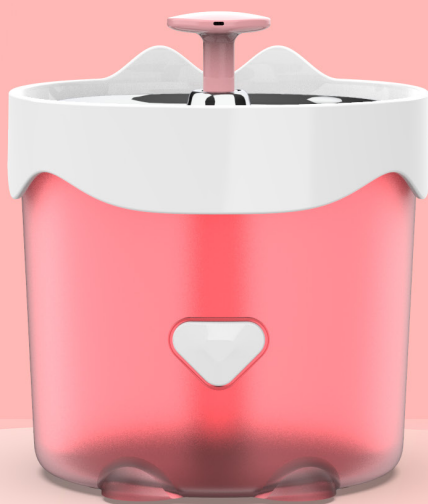

Real-time Video

View your pet at any time, live video viewing and recording, capture photos via built-in HD camera.
